Additional requested information:

Tendering text - Header :

TURKEY AND TURKEY PRODUCTS, SOLICITATION NO: 2000004042

The U.S. Department of Agriculture (USDA) invites offers to sell turkey and turkey products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal food and nutrition assistance programs. Acceptances will be announced by midnight, Friday, May 20, 2016. Deliveries are to be made between July 1 and July 31, 2016.

All bulk loads on this Solicitation are No Tolerance. Fewer than 36,000 pounds will be rejected.

Source of Meat: The commodity may be from ready-to-cook turkeys (AMS 70.202), either from freshly processed carcasses, turkey parts or skinless boneless turkey thighs; or from frozen turkeys and parts and skinless boneless turkey thighs if held for no more than 180 days from the date of harvest and packaged to protect from quality deterioration, dehydration and freezer burns.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.
