DRIED FRUIT, SOLICITATION NO: 2000005426

The U.S. Department of Agriculture (USDA) invites offers to sell DRIED FRUIT pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, July 3, 2018. Deliveries are to be made between August 1, 2018 and December 31, 2018.

Per FDA regulations, the following minimum mandatory labeling requirements for all foods, whether sold or donated, must appear on the label: Name of the food, Manufacturer's name and location, Net weight of the product, Ingredients list, and Allergen declaration. These requirements are codified in 21 CFR 101.2, 101.3, 101.4 and 101.5. See the following link for a guidance manual:

<http://www.fda.gov/Food/GuidanceRegulation/GuidanceDocumentsRegulatoryInformation/LabelingNutrition/ucm064894.htm>

The requirement for the second fumigation (processed and packaged product) for dried plums stated in the Commodity Specifications for Dried Fruit September 2017 is NOT applicable to this solicitation. This pilot project to remove this requirement is for dried plums only.

USDA will accept product produced in calendar year 2017 and calendar year 2018 as long as it was produced according to The Commodity Specification for Dried Fruit and meets the requirements within.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about the Master Solicitation dated April 2017; the Commodity Specification for Dried Fruit dated September 2017; the Commodity Specification for Dried Fruit Amendment 1 dated September 2017; or this Solicitation should be directed to the Contracting Officer; USDA, AMS, Room 3522-South; 1400 Independence Avenue, S.W.; Washington, D.C. 20250-0239. Telephone: (202) 720-4517. FAX: (202)720-2782.

Due to the recent changes in SAM.gov policy regarding the appointment of an authorized Entity Administrator, USDA/AMS may allow bidders to be considered for award pending SAM.gov processing of the notarized letter. This exception is considered for new/expired SAM registrations impacted by notarized letter processing delays only. In order to be considered for an exception, the vendor must have submitted the required notarized letter to SAM.gov (per the directions provided in the link below) and must submit a copy of the notarized letter to the cognizant contracting officer via email at or before the bid due date. If an offeror's SAM.gov registration is not expired, this section is not applicable.

Note that all other terms associated with requirements of Sam.gov registration, including those that impact payment, remain in full force and affect. (see MSCP dated April 12 2017, clause 52.212-1(k)) (k) System for Award Management. Unless exempted by an addendum to this solicitation, by submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the SAM database prior to award, during performance and through final payment of any contract resulting from this solicitation.
