FROZEN BEEF PRODUCTS, SOLICITATION NO: 2000005609

The U.S. Department of Agriculture (USDA) invites offers to sell frozen beef products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal food and nutrition assistance programs. Acceptances will be announced no later than midnight, September 14, 2018. Deliveries are to be from October 16, 2018 to November 30, 2018.

The Solicitation may show multiple stops on some line items, however, the number of stops will be limited to a maximum of three. To determine the number of destinations review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In order to submit offers on this Solicitation, Offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the applicable Federal Purchase Program Specification and eligible supplier's approved technical proposal.

Offerors must reference their AMS designated laboratory in their technical proposal.

NOTE: All fees associated with microbial testing for boneless beef and ground beef items and fat analysis for ground beef products will be paid by AMS. Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM).
