DRY EDIBLE BEANS (Navy & Lentils), SOLICITATION NO: 2000006280

This invitation for bids is part of the Food Purchase and Distribution Program under the authority of the Commodity Credit Corporation (CCC), with the purpose to assist farmers in response to trade damage from unjustified retaliation. Funding for this purchase is under Section 5 of the CCC Charter Act. Acceptances will be announced by midnight, August 9, 2019. Deliveries are to be made between October 1, 2019 to December 15, 2019.

In accordance with Federal Acquisition Regulation (FAR) 52.203-2 (as found in SAM.gov representations and certifications) offerors have certified that the prices in their offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor. In accordance with procedures outlined in FAR 3.301, suspicion of collusive activities shall result in a rejection of the offeror(s) by the contracting officer. As such, contracting personnel are an important potential source of investigative leads for antitrust enforcement; USDA/AMS is required by 41 U.S.C. 3707 and 10 U.S.C. 2305(b)(9) to report any bids or proposals that evidence a violation of the antitrust laws.

The requirements for checkloading by USDA inspectors outlined in the attached Commodity Specifications are NOT applicable to contracts awarded under this solicitation. Note-Checkloading may still be performed by USDA Inspections Staff as outlined in the commodity specifications, at the expense of the contractor, however it is not required for contracts awarded under this solicitation.

Pack Year - Product produced in 2018 and 2019 will be accepted.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.
