Opening date: 05/06/2020 13:00:00

Invitation Type : Definite Delivery

Additional requested information:

Tendering text - Header :

CANNED MEAT, PORK AND CATFISH PRODUCTS SOLICITATION NO: 2000006940

The U.S. Department of Agriculture (USDA) invites offers to sell canned meat, pork and catfish products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, May 13, 2020. Deliveries are to be made between June 1, 2020 and June 30, 2020.

Materials 100127, 100139, 110380 and 110390 are "Full and Open" Competition.

The pork products are to be delivered fresh chilled or frozen as indicated by product type.

For this solicitation, USDA will accept material 100127 packed in 24/24 oz. pouches or cans, provided the offerors technical proposal has been approved by AMS Livestock, Poultry and Seed program prior to award of a contract. All other products and processing requirements indicated in Supplement 704, dated March 2020 shall apply to pouch offered.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime offerors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.
