Nuts by USDA inspectors outlined in the attached Commodity Specifications are No Longer applicable. Note- Checkloading may still be performed on all, or part of the deliveries at the request and expense of the contractor; however, it is not required for Shelled Tree Nuts awarded under this solicitation. Also, SCI will conduct periodic verifications of the vendors commercial practices to ensure they meet the contractual requirements.

Offerors should take into account their processing capacity due to COVID regulation constraints when bidding to ensure they are able to meet the delivery deadlines.

\*\* For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.\*\*

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.
