FROZEN PANCAKES, SOLICITATION NO: 2000007940

The U.S. Department of Agriculture (USDA) invites offers to sell Frozen Pancakes pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by 5pm CT on July 30, 2021. Deliveries are to be made between October 1, 2021 to December 15, 2021.

This Acquisition is Set-Aside for Small Business. Bids received for these set-aside quantities from firms who are not small business concerns will not be considered. In the event the Government is unsuccessful in contracting with an eligible small business concern(s) for the set-aside quantities, the Government may award the quantities to other than small business concerns. The Contracting Officer reserves the right to utilize Federal Acquisition Regulation Part 19.507 Automatic dissolution of a small business set-aside.

Any small business concern proposing to furnish a product that it did not itself manufacture must furnish the product of a small business and, by the offer due date/local time, submit the corresponding supplier agreement to, Attention: Contracting Officer. The supplier agreement shall: be in effect between the offeror and the product manufacturer for the period of contract performance, certify compliance with the applicable solicitation requirements, contain the DUNS number for the product manufacturer, be on the product manufacturer's company letterhead, and be signed by both parties.

A prospective contractor will be required to provide written evidence of a proposed subcontractor's responsibility including Plant Sanitation and Food Defense surveys. The Contracting Officer will directly determine a prospective subcontractor's responsibility, per FAR 9.104-4.

Material code 110393 is 144 bulk count and not individually wrapped. Cooking instructions shall be listed on the box, bag film or placed inside the box or bag.

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.
