

Tendering Text for Soup in Pouches

Soups for this purchase will only be accepted in 24/10 ounce thermostabilized pouches.

Soups packaged in the pouches must meet all requirements of the Commodity Specification for Canned Soups July 2021 except specific primary container size and type requirements (must be packaged in 24/10 oz. thermostabilized pouches). All other labeling, marking, and packing requirements remain the same.
