The U.S. Department of Agriculture (USDA) invites offers to sell Pork Products pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. Bids are due by 1pm CT on September 23, 2022. Acceptances will be announced by 11pm CT on September 28, 2022. Deliveries are to be made between December 1, 2022, through December 31, 2022.

The pork products are to be delivered fresh chilled or frozen as indicated by product type.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the city and state for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot. For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver.
