## **AMENDMENT NO. 3**

### **COMMODITY SPECIFICATION CANNED VEGETABLES DATED SEPTEMBER 2014**

The purpose of this amendment is to change the packing medium allowed for canned sweet potatoes:

#### **N. Sweet Potatoes – 6/10 size can & 24/300 size can**

1. Grade - U.S. Grade A.
2. Color Type – Golden, Yellow, Mixed.
3. Type of Pack –
  - a. Regular – Liquid packing medium is added.
  - b. Solid pack sweet potatoes of the “mashed” style only, no packing medium may be added (6/10 size).
4. Style –
  - a. 6/10 size – Whole, Halved, Pieces/cuts, or mashed (as applicable).
  - b. 24/300 size – Whole or pieces/cuts style.
5. **Liquid packing medium –Light Sucrose or other FDA approved syrups. Brix measurements must be 18 degrees or more, but less than 25 degrees.**
6. The styles for canned sweet potato except mashed, may be whole, halved, pieces/cuts, or any combination thereof, provided that 90 percent (by count) of each of the sweet potato units weigh no more than three ounces. No sweet potato unit may weigh more than four ounce.

All other terms and conditions remain unchanged.
