Re: Special request for statistical data.

Dear Mr. Nicholson:

At the forthcoming hearing in Kansas City, commencing December 6, I will be representing interested parties, including Central Equity Milk Cooperative, Inc., Associated Milk Producers, Inc., National All-Jersey, Milnot Holding Corporation, and Wells Dairy.

In preparation for the hearing, please provide information requested by suggested format of the attached tables, if it can be aggregated and produced without undue burden or breach of confidentiality. If the months designated for non-annual data do not produce representative data, I invite you to select another month that more accurately reflect the market.

The data requested is, in part, similar to data I requested for the recent Upper Midwest hearing; in part a chronological extension of tables from Exhibit 5 of the St. Louis hearing in 2001, and in part an expansion on data requested by DFA and Prairie Farms.

Please contact me if you have any questions or problems with this request.

Sincerely,
John H. Vetne
