RE: **USDA Sets Hearing on Proposed Amendments to All Federal Milk Orders**

The U. S. Department of Agriculture has announced that it will hold a national public hearing to consider proposals seeking to amend or remove the producer-handler provisions and revise the exempt plant provisions applicable to all Federal milk marketing orders. The hearing will begin at 1 p.m. on May 4, 2009, at The Westin - Cincinnati, 21 East Fifth Street, Cincinnati, Ohio, 45202.

USDA will also consider a proposal seeking to amend the orders to include provisions related to individual handler pools as an alternative to the producer-handler provisions.

The National Milk Producers Federation and the International Dairy Foods Association submitted initial proposals. USDA requested additional proposals from the industry that would examine all features of the producer-handler and exempt plant provisions. USDA received proposals from dairy farmers, producer-handlers, dairy farmer cooperatives, and fluid milk processors.

Anyone interested in participating in the hearing should notify a USDA official upon arrival. The hearing notice will be published in the April 9, 2009 Federal Register. Copies of the hearing notice and additional information are available from USDA/AMS/Dairy Programs, STOP 0231 - Rm. 2971, 1400 Independence Avenue, SW, Washington, D.C. 20250-0231, from the AMS web site: at www.ams.usda.gov/dairy, or by contacting this office directly.

If you have questions or concerns regarding this announcement, please contact this office directly.

USDA to Hold a Public Hearing to Discuss Proposed Amendments to the Producer-Handler and Exempt Plant Provisions in All Federal Milk Marketing Orders

A national public hearing is being held to consider and take evidence on proposals seeking to amend or remove the producer-handler provisions and revise the exempt plant provisions applicable to all Federal milk marketing orders. Additionally, a proposal seeking to amend the orders to include provisions related to individual handler pools will be considered as an alternative to the producer-handler provisions. The news release announcing the hearing is enclosed for your reference.

The hearing will begin at 1:00 p.m. on May 4, 2009. The hearing will be held at The Westin-Cincinnati, 21 East Fifth Street, Cincinnati, Ohio, 45202, phone (513) 621-7700.

The hearing is open to the public. To participate and testify at the hearing, a person must be physically present and be available for cross-examination by other parties. Interested parties who wish to introduce exhibits should provide the Administrative Law Judge at the hearing with four copies of such exhibits for the official record. Additional copies should be made available for use by other hearing participants. Proponents that submitted a proposal included in the Notice of Hearing, are required to make their testimony and any other exhibits available to USDA officials prior to the start of the hearing on the day of their appearance. Individual dairy farmers are not subject to this requirement.

Requests to USDA, including Market Administrator personnel, for data to be used or presented at the hearing must be received by April 24, 2009

The Notice of Hearing, all proposals received and additional information pertinent to this proceeding are available on Dairy Programs website at <http://www.ams.usda.gov/dairy>. A copy of the hearing notice may be obtained by contacting a Market Administrator listed in the news release or Dairy programs.

Sincerely,

Dana H. Coale
Deputy Administrator
