

**Response to Request for Data Submitted by John Vetne on behalf of  
Mallorie's Dairy, Country Morning Farms and Nature's Dairy**

**Item #1 –**

Data is provided in this response however, certain restrictions apply. Additionally, for those marketing areas without producer-handlers there is no data available.

**Item #2 –**

Data is provided in this response however, certain restrictions apply. Certain marketing areas have no data available with regard to this specific request.

**Item #3 –**

Data is provided in this response however, certain restrictions apply.

**Item #4 –**

Data is provided in this response however, certain restrictions apply. Additionally, certain marketing areas have no data available with regard to this specific request.

**Item #5 –**

Data is provided in this response.

**Item #6 –**

Data not provided in this response. Data available is all restricted.

**Item #7 –**

Data is not provided in this response. Dairy Programs does not have current data with regard to this request. Data to this effect is collected, via survey, every other year. Currently, the most recent survey data is for 2005. The survey sample includes only fully regulated handlers. It does not include information from producer-handlers, exempt handlers and/or partially regulated handlers.

**Item #8 –**

This specific request will not be satisfied. Publicly available correspondence regarding producer-handler issues is posted on Dairy Programs website.
