The U.S. Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, and marital or familial status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternate means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint, write to the USDA, Office of Civil Rights, Room 326-W, 1400 Independence Avenue, SW, Washington, DC 20250-9410, or call (202) 720-5964 (voice and TDD). USDA is an equal employment opportunity employer.

1. PURPOSE

This Directive provides a listing of agricultural and food commodities assigned to the Federal Grain Inspection Service (FGIS).

2. REPLACEMENT HIGHLIGHTS

This Directive replaces FGIS Directive 101.3, dated 5/19/88.

3. RESPONSIBILITIES

An alphabetical listing of the agricultural and food commodities assigned to FGIS for standardization, classing, inspection, grading, sampling, or testing is attached. Responsibilities for marketing agreements and orders, procurement, and market news activities for the commodities in the attachment remain with the Agricultural Marketing Service.
