Subject: help small scale dairy farmers
Dear Tom,

I recently learned that I may soon not have access to purchase milk from local small scale dairy farms such as Snowville Creamery. My family and I believe in supporting local farmers. We like that our milk has not travelled hundreds of miles before we drink it. And because of this, it tastes so much better. I believe you can help. Please hold off on the Federal Milk Market Order System Producer Handler proposal hearings until you have carefully considered all sides of this issue.

Thanks for your time.

Sincerely,

Gwen King
