Re: Request for a hearing to amend Federal Milk Marketing Orders 5, 6, and 7

Dear Ms. Coale,

This letter confirms the support of Lanco-Pennland for a hearing to amend the southeastern US federal milk orders as requested by DCMA in the request letter from Attorney Marvin Beshore. This further confirms our support for the five proposals submitted with the hearing request. We respectfully request that a hearing be held on an emergency basis to expedite the relief requested to our orders.

Thank you.
