

Official Listing of USDA and USDA-Approved Laboratories
 Laboratory Approval Program for Microbiological Testing of Poultry
 Products for the Federal Purchase Program
 (Last Revised January 31, 2020)

The participants listed below have been evaluated by the United States Department of Agriculture (USDA), Agricultural Marketing Service (AMS), and have been found to be in conformance with the requirements of USDA, AMS Laboratory Approval Program for Microbiological Testing of Poultry Products for the Federal Purchase Program (LAP-FPP). The LAP-FPP is to assure participant laboratories perform validated confirmatory microbiological analysis of diced chicken.
