

USDA BEEF EXPORT VERIFICATION (EV) PROGRAM: SPECIFIED PRODUCT REQUIREMENTS FOR BISON (BUFFALO) – CANADA AND THE EUROPEAN UNION

1 Purpose

This document provides the specified product requirements for marketing U.S. bison (buffalo) to Canada and the European Union (EU) under the USDA Export Verification (EV) Program.

2 Scope

These requirements apply to U.S. suppliers (slaughterers, fabricators, or processors) of bison, bison products, and bison offal items that are eligible for export to Canada and/or the EU as listed on the Food Safety and Inspection Service (FSIS) export website. Suppliers must meet the specified product requirements for Canada and the EU under the EV Program through an approved USDA Quality System Assessment (QSA) Program. The requirements for the QSA Program are defined in QAD 1002 Procedure: *USDA Quality System Assessment (QSA) Program*. The QSA Program ensures that the specified product requirements are supported by a documented quality management system.

Only suppliers with an approved USDA QSA Program for the EV Program for Canada and the EU may label and sell product as meeting the specified product requirements for Canada and the EU under the EV Program.

4 Specified Product Requirements

4.1 Bison (buffalo) and bison products must meet the following requirements:

- 4.1.1 Does not contain the following specified risk material (SRM): skull, brain, trigeminal ganglia, eyes, spinal cord, dorsal root ganglia, vertebral column, excluding the vertebrae of the tail, the transverse processes of the thoracic and lumbar vertebrae, and the wings of the sacrum, from bovine animals aged 30 months and older; and the distal ileum of the small intestine and tonsils from bovine animals of all ages.

5 Shipping Documentation

5.1 Identification of conforming product during shipment and delivery must be documented on the shipping documentation (bills of lading, shipping manifests, or letters of guarantee). The shipping documentation must:

5.1.1 Clearly identify the product and product quantity; and

5.1.2 Contain one of the following applicable statements:

5.1.2.1 "Product Meets EV Program Requirements for Canada and the EU" - This statement is used for finished items that are eligible for export.

5.1.2.2 "Product meets EV Program Requirements for Canada and the EU excluding final fabrication requirements" - This statement is used for items that must be further fabricated to meet all requirements prior to being eligible for export.

6 Listing of Approved Programs

U.S. suppliers that have an approved USDA QSA Program and have demonstrated the ability to produce products in accordance with the EV Program for Canada and the EU will be listed on the *Official Listing of Eligible Suppliers to the USDA Bovine EV Programs*. U.S. suppliers meeting clause 4.1.1 will be uniquely identified on the *Official Listing*.

7 Responsibilities

U.S. suppliers must meet all policies and procedures outlined in this procedure, QAD 1000 Procedure: *Quality Systems Verification Programs, General Policies and Procedures*, and QAD1002 Procedure: *Quality System Assessment Program*.

Jeff Waite, Branch Chief
Quality Assessment Division
Livestock and Poultry Program

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.
